### apply now for up to 90% subsidy

the dti

Department:  
Trade and Industry  
REPUBLIC OF SOUTH AFRICA

The purpose of this program is to ready automotive suppliers who do not have certification in ISO 9001/ TS16949.

Implement a working, functional and accredited Quality Management System.

This program is subsidised by the Department of trade and Industry, in the interest of developing South Africa's automotive supply base.
